## A for Apple Picking Folder Game

### **Game Instructions:**

Place apple circles face down on the floor or table. Have children take turns flipping over the red circles (apples) one at a time. If the apple picture starts with the letter A or shows the letter A, the child can place the apple in the basket labeled with the letter Aa. If the picture name doesn't start with the letter A, the apple gets discarded into the basket without a label. The player with the most apples in his/her basket wins the game.
